BC Quinn

Barry Quinnlan, Certifier

The 'C' and 'US' indicators adjacent to the Curtis-Straus Mark signify that the product has been evaluated to the applicable CSA and ANSI/UL Standards, for use in Canada and the U.S., respectively. The Mark indicates the product has been certified under the Curtis-Straus Product Safety Certification Program (CSPSC). This program has been recognized by the U.S. Occupational Safety and Health Administration (OSHA) to comply with their Nationally Recognized Testing Laboratory (NRTL) program. The program follows system 5 as defined in ISO/IEC Guide 67. * The device is not certified to these standards.
