SIMATIC RF360R
Starter Kit

The SIMATIC RF360R combines the functions of the communication module and the reader in one device. This allows a space-saving and cost-efficient installation in any type of industrial application. The integrated OPC UA interface supports for the first time the direct connection to Cloud applications via an Industrial IoT gateway such as SIMATIC CC716.

SIMATIC RF360R[1] Starter Kit

- SIMATIC RF360R reader
- SIMATIC RF340T on-metal transponder with 32 KB FRAM (5 pieces)
- Power M12 Cable Connector Pro (L-coded)
- IE Connecting Cable M12-180/RJ45, 2 m

Article number: 6GT2096-6AA00-0AA0
Price: 48% price advantage

Security information
In order to protect plants, systems, machines and networks against cyber threats, it is necessary to implement – and continuously maintain – a holistic, state-of-the-art industrial security concept. Siemens' products and solutions constitute one element of such a concept. For more information about industrial security, please visit:: **www.siemens.com/industrialsecurity**
